One, two, three.
I have one more, for good luck. Okay?
Desperate, desperate, desperate.
One, two, three.
Desperate, desperate, desperate.
One, two, three.

I feel so happy right now, and just, wooh!
I feel drunk, yes, feel drunk on life!
And just, ah, wow.
That was a real experience, wow.
Wooh!

Sobering, sobering.
