

Big Fun

Shriekback

Got the Mojo ticking over, I feel good tonight
Looking at the city such a beautiful sight.
Hey! pretty baby - I feel like a priest
We have such a good time in the belly of the beast.
We sing

Welly-Oh Welly-Oh here we go.
We got a bite like a pit-bull yeah we don't let go.
Welly-Oh Welly-Oh under the sun. Everybody looking for...
BIG FUN.

Gonna shave my head, I'm gonna clean my mind
I'm feeling light and clever, feeling good and kind
Now we're going out through the Magic Door
I think you know already what we're looking for
We sing

Welly-Oh Welly-Oh here we go.
We got a bite like a pit-bull yeah we don't let go.
Welly-Oh Welly-Oh under the sun. Everybody looking for...
BIG FUN.

(Yeah this is big fun ok - bigger than I ever thought possible)

I been shaking like a jelly, sweating like a mule
Crying like a baby, grinning like a fool
California Dreamin' inna Kentish Town
I gotta make it to the roof
Before the stairs burn down

Oh I love to be among the girls and boys
I am just a holy instrument of joy
Can I remember my own name?
They're giving ten to one
No doubt about it, this is
BIG FUN
We sing

Welly-Oh Welly-Oh here we go.
We got a bite like a pit-bull yeah we don't let go.
Welly-Oh Welly-Oh under the sun. Everybody looking...
