

# Glory Bumps

Shriekback

He gonna gobble you up  
He gonna gobble you up  
He gonna gobble you up  
Did I call at a bad time? Did I ruin your day?  
Are you feeling the Fear?  
Are you feeling the Fire?  
Are flushing the phials?  
There's never really a good time for what I say  
Voices said to me how these things have come to be  
I got a free pass  
You're gonna stand there all day  
I know I am licked by the pink tongue of the Lamb  
That's why I'm calling all you heathens to say:

I'm feeling... I'm feeling...  
I'm feeling the Glory Bumps! Glory Bumps!  
I'm feeling the Glory Bumps  
Hallelujah! Hallelujah!  
Glory Bumps, Glory Bumps!  
I'm feeling the Glory Bumps  
Before the good Lord - before He sticks it to ya

Armageddon-it-on  
Armageddon-it-on  
It's a terrible pun  
But I don't care cos I'm history  
More than likely tonight  
Maranatha today  
He come to take me away, kinda hurts me to say  
You gonna fry in your own juice

We're heading into the light  
All your painted whores, tainted love and dinosaurs  
Ain't gonna help you  
Cos you're all wrong and I'm right  
I'm feeling calm and about to bet the farm  
I got an aisle seat on the terminal flight

I'm feeling... I'm feeling...  
I'm feeling the Glory Bumps! Glory Bumps!  
I'm feeling the Glory Bumps  
Hallelujah! Hallelujah!  
Glory Bumps, Glory Bumps!  
I'm feeling the Glory Bumps  
Ah when the good Lord - when He sticks it to ya

Ah come on give it a name  
You'll soon be feeling the pain  
I know you know what I'm saying  
You're all so blatantly tainted  
By the horn and the claw

I got different deal involving heifers and seals  
You can see how it appeals  
I'm levitating to Jesus  
Your ass is stuck to the floor

I'm with the Holy Band  
Spend your Euros while you can  
I'm on the guest list  
You gonna stand in the line  
I'm feeling free, drunk on eschatology  
I seen it all on a website and I know I'll be fine

I'm feeling... I'm feeling...  
I'm feeling... I'm feeling...  
I'm feeling... I'm feeling...  
I'm feeling...  
I'm feeling the Glory Bumps! Glory Bumps!  
I'm feeling the Glory Bumps  
Hallelujah! Hallelujah!  
Glory Bumps, Glory Bumps!  
I'm feeling the Glory Bumps  
Before the good Lord - before He sticking it to ya

I'm feeling the Glory Bumps! Glory Bumps!  
I'm feeling the Glory Bumps  
Hallelujah! Hallelujah!  
Glory Bumps, Glory Bumps!  
I'm feeling the Glory Bumps  
Before the good Lord - before He sticks it to ya

Glory Bumps, Glory Bumps  
All God's chillun feel the Glory Bumps  
[repeat to end]
