

Sinus Aestuum

Shriekback

All the crazies, all the losers, all the boilers and the bruise
rs

All the chancers, all the fakers, all the users and the takers
All the vampires, all the lushes, all those young girls with th
eir crushes

All the normal and the sub
(The full mix and the dub)

They're all seething, seething, seething, they're all seething
Seething, they're all seething, all the rats on my ship are lea
ving

All the movers, all the shakers, all the right-on agitators
All the creepers, all the crawlers, all the screamers and the b
awlers

All the slaves of stimulation, all the shifting population
All the matchwood on the bonfire:
The last remnants of Empire

It's all seething, all seething, seething, it's all seething
Seething, it's all seething, all the rats on my ship...

All the smart kids with the lingo, all the rock stars reading t
he bingo

All the benders, all the breeders, all the vicious little bleed
ers

All the half-breeds and the new bloods, all the old reptiles wi
th the young studs

All the lowlife in the high-rise

All the 'got the world by the balls' guys

They're all seething, seething, seething, they're all seething
Seething, they're all seething, all the rats on my ship are lea
ving

Seething, seething, seething, they're all seething

Seething, they're all seething, all the rats on my ship...
