

Already Free

Shungudzo

They can put their chains on me
They can name their price
They don't know I'm already free
They can't chain my mind
They can put their shackles on me
They can beat me blind
They don't know I'm already free
I can see the light

Already free
I am
Already free
I am
'Cause I believe
I am
Yeah, yeah, yeah, yeah, yeah, yeah, yeah

Even stuck behind four walls
Dreaming in the dark
Ain't no roof hung over my heart
I can see the stars

Already free
I am
Already free
I am
'Cause I believe
I am
Yeah, yeah, yeah, yeah, yeah, yeah, yeah

Already, already, already
Already, already, already free
I see no shackles on me
Already, already, already
Already, already, already free
I see no shackles on me
