

Long Live The Billionaire

Shungudzo

Didn't choose where I'm born
Didn't rain on your streets
I don't know who you came for, but it wasn't me

Soldier on the road
Did they promise you gold?
Do you think that you're aiming that gun that you hold?

Hey, watch them bombs burstin' in air
Long live the billionaire
Ashes fall down on my hair
Long live the billionaire

Air, air, ahh-ahh
Air, air, ahh-ahh
Air, air, ahh-ahh
Air, air, ahh-ahh

Eagle in the sky
Are you just flying by?
Do you come here to save me, or bury me alive?

Soldier in the road
Tell me what you were told
With your face in the sand and your mama don't know

Hey, watch them bomb burstin' in air
Long live the billionaire
Ashes fall down on my hair
Long live the billionaire

Air, air, ahh-ahh
Air, air, ahh-ahh
Air, air, ahh-ahh
Air, air, ahh-ahh
