

# skyline, be mine

Shura

Follow me to the outside  
I know it's cold but I don't mind  
See your body in the skyline  
Took so long for you to be mine

Be mine  
Be mine  
Be mine  
Be mine

You are naked  
I am clothed  
You are open  
And I am closed  
I am nothing but I believe  
In your body underneath

Be mine  
Be mine  
Be mine  
Be mine
