

# Scream

SHVPES

Caught up in this madness too blind to see  
Woke animal feelings in me  
Took over my sense and I lost control  
I'll taste your blood tonight

You know I make you want to scream  
You know I make you want to run from me baby  
But know it's too late you've wasted all your time

Yeah

Relax while you're closing your eyes to me  
So warm as I'm setting you free  
With your arms by your side there's no struggling  
Pleasure's all mine this time

You know I make you want to scream  
You know I make you want to run from me baby  
But know it's too late you've wasted all your time

Cherishing, those feelings pleasuring  
Cover me, unwanted clemency  
Scream 'til there's silence  
Scream while there's life left, vanishing  
Scream from the pleasure unmask your desire  
Perishing

We've all had a time where we've lost control  
We've all had our time to grow  
I'm hoping I'm wrong but I know I'm right  
I'll hunt again one night

You know I make you want to scream  
You know I make you want to run from me baby  
But know it's too late you've wasted all your time

Cherishing, those feelings pleasuring  
Cover me, unwanted clemency  
Scream 'til there's silence  
Scream while there's life left, vanishing  
Scream from the pleasure unmask your desire  
Perishing

Some live repressing their instinctive feelings  
Protest the way we're built don't point the blame on me

Scream, scream, scream the way you would  
If I ravaged your body  
Scream, scream, scream the way you would  
If I ravaged your mind

Scream, scream, scream the way you would  
If I ravaged your body  
Scream, scream, scream the way you would  
If I ravaged your mind

Scream 'til there's silence

Scream while there's life left, vanishing  
Scream from the pleasure unmask your desire  
Perishing
