

## Let Down

Shwayze

Huh

Woke up late (woke up late), eight AM (yeah)  
I be making tidal waves 'fore your day begin (splash)  
She had the nerve to ask me if I'm [?] (hmpf)  
That's when I showed her to the door like Jim Morrison, uh  
Don't call me [?]  
I'm swear I'm bigger than the box my horoscope try to put me in  
The people I put on don't wanna put me in (psh)  
Life behind the mask, I'm feeling like the Mandalorian

Sometimes I get my hopes too high then I'm let down (let down)  
Scrolling through our old texts now  
Thinking how does shit all make sense now? (How it all make sense now?)  
All these problems got me stressed out  
And I'm tired of feeling the same shit (oh yeah)  
And I'm starting to run outta patience (hey, hey)  
'Cause I get my hopes too high then I'm let down (let down)  
Yeah, yeah, I'm let down, yeah

I'm just tryna vent, might not make no sense  
Lost my innocence with a ten behind a limo [?]  
Thought she was the one but we were kids  
Dated for a year the year before I started making hits  
Yeah she disappeared when she grew tits [?]  
You-ooh act like everything is okay  
Ooh-ooh last night right back to your old ways  
I guess people change (yeah right)

Sometimes I get my hopes too high then I'm let down (let down)  
Scrolling through our old texts now  
Thinking how does shit all make sense now? (How it all make sense now?)  
All these problems got me stressed out  
And I'm tired of feeling the same shit (oh yeah)  
And I'm starting to run outta patience (hey, hey)  
'Cause I get my hopes too high then I'm let down (let down)  
Yeah, yeah, I'm let down, yeah (let down)

(Yeah, let down, yeah)  
Yeah, I'm let down
