Shwayze

You get me up in the morning
Call you my morning glory
You make feel like ooh girl, ooh ooh girl
Through the day to the evening
I keep the same old feeling
But it's always new girl, new new girl

Do do do do do do do do do-oo
I like the way
I like the way
The way you love me
Do do do do do do do do do-oo
I like the way
I like the way
The way it feels like
Alright alright alright alright
The way it feels like
Alright alright alright alright

When all I hear is you breathing
And we don't even speak it
Cause you already know girl, know know girl
You set the pace
I'll the lead the way
And I'll never say no girl, no no girl

Do do do do do do do do do-oo
I like the way
I like the way
The way you love me
Do do do do do do do do do-oo
I like the way
I like the way
The way it feels like
Alright alright alright alright
The way it feels like
Alright alright alright alright

You a good girl
But you a freak tho
Looking for a bad boy
That's when you met me yo
I always shoot my shot like a free throw
She real deep but she really love the deep...
She want a veep tho
A real CEO
That's not me
I'm a sex on the beach flow
Smoking out of seashells
On the sea shore
Leaving all our retail
Oh, the sea floor

Do do do do do do do do do-oo
I like the way
I like the way
The way you love me

Do do do do do do do do do-oo
I like the way
I like the way
The way it feels like
Alright alright alright alright
