

Peach

Shwayze

You made my car nights feel like a summer breeze
If I were Mario you would be my Peach
So let me let out like we chilling on a beach
You like the sunrise so we put it on repeat like

Whoa-oh, oh-oh, oh-oh, oh
Whoa-oh, oh-oh, oh, oh
Whoa-oh, oh-oh, oh-oh, oh
Whoa-oh, oh-oh, oh, oh

You can't take a shot on me
Baby you could be my Peach
I'ma practice what I preach
We can lay out on the beach
Sipping margaritas till 3
Summer king looking for a queen, yeah
I'ma love [?] you and I OD
Sing or swim, boo-y
Got the peach fuzz on booty
Got a [?] buzz [?] but she was cute before the drinks
I need to shrink if I my ego don't shrink
I need you babe, let's have 50 first dates

You made my car nights feel like a summer breeze
If I were Mario you would be my Peach
So let me let out like we chilling on a beach
You like the sunrise so we put it on repeat like

Whoa-oh, oh-oh, oh-oh, oh
Whoa-oh, oh-oh, oh, oh
(And we do it every summer like this)
Whoa-oh, oh-oh, oh-oh, oh
Whoa-oh, oh-oh, oh, oh
(And we do it every summer)

Kiss and the repeat
Make love and then we eat
You move me like the sea
But keep me rooted like these trees
You can have degrees
And your boobies are like Gs
And you smoke OG
And watch UFC
Meant to be, that's foresight
No building walls like Fortnite
Go with the J onto the porch light
But I left the Bic in the door
So I was gonna take a pic but my phone died
That's when I never felt more alive
Me and you without our vices
Broke as fuck but I love the spices

You made my car nights feel like a summer breeze
If I were Mario you would be my Peach
So let me let out like we chilling on a beach
You like the sunrise so we put it on repeat like

Whoa-oh, oh-oh, oh-oh, oh
Whoa-oh, oh-oh, oh, oh
(And we do it every summer like this)
Whoa-oh, oh-oh, oh-oh, oh
Whoa-oh, oh-oh, oh, oh
(And we do this every summer)

I won't waste my time
You can take all my time, take it all away
Take it all away
Take it all away
