

Hurry

Shy Carter

Hurry

Mm, hurry, please, baby

Hurry, yeah

Hurry, hurry, hurry

Say goodnight with a long kiss

Been on my mind ever since you left

I'm making for another one and another one

Girl, before the morning sun come

Hurry your pretty ass back to me

Ride that chevy right back in my dream

We'll climb into these sheets

Til your head's on my heartbeat

Hurry, hurry, hurry

Your pretty ass back to me

Hurry

Hurry, hurry, hurry

I'm a patient man usually

But it's something that you just do to me

I've been going through it, just about to lose it

Get your body to my body, baby

Get to speeding like a bullet

Girl, hurry your pretty ass back to me

Ride that chevy right back in my dreams

Go climbing through these sheets

Til your hand's on my heartbeat

Hurry, hurry, hurry

Your pretty ass back, baby

Oh, if I'm coming on too strong

Oh, I'm sorry, but every second's way too long

And every breath I breathe

Goes with you when you leave

Hurry, hurry, hurry

Your pretty ass back to me

Baby, when you gonna make it back to me

Ooh

Hurry your pretty ass back to me

Ride that chevy right back in my dreams

Go climbing through these sheets

Til your head's on my heartbeat

Hurry, hurry, hurry, baby

Baby, oh if I'm coming on too strong

Oh, I'm sorry, but every second's way too long

And every breath I breathe

Goes with you when you leave

So hurry, hurry, hurry

Your pretty ass back

Your pretty ass back to me

Hurry, hurry, hurry
