

When I Say I Love U

Shy Girls

Burning girl, your flame, burn
But please don't burn away
Burning girl, your flame, burn
But please don't burn away

Don't make me beg again
I'll get down on my knees
Here's a misunderstanding
Enough to make you want to leave

I try hard babe
I do, yes I do
I feel that you're the one
Baby what you running from?

When I say I love you, I mean I need you
When I say I love you, I mean I need you
I can't make you change your mind

Let's just count it again from the top
Let's take it easy
Let's just find a way to groove again
Just for one cold night

I try hard babe, I do
I can write the verses babe
You can make the calls ring

When I say I love you, I mean I need you
When I say I love you, I mean I need you
When I say I love you, I mean I need you

Burning girl, your flame, burn
But please don't burn away
Burning girl, your flame, burn
But please don't burn away

I can write the verses babe
You can make the calls ring
I feel that you're the one
Baby what you running from?

When I say I love you, I mean I need you
When I say I love you, I mean I need you
