Big Glizzy got that mac on me  
My bitch, ooh she blackanese  
Fuck her on my balcony  
Told her I'm a trapper baby  
She said, "boy, you gotta be."  
Calm down  
Calm down  
Jefe, Im a boss now  
Bring my dogs to your town  
And we goin' knock 'em all down  
In your hood with jewels on  
Hold up  
Who is you homes?  
Glock 40 is two-toned  
That bitch welcome you home

Smoking on that loud  
How could I hear y'all?

You drinking Smirnoff  
Red dot on his nose  
He look like Rudolph  
Take a trip to South Beach  
Bitch take his shoes off  
You niggas act like RuPaul  
All my niggas make them hot niggas cool off  
They say I took a loss  
Well, Im a damn boss  
100 bad bitches in that Aloft  
A nigga play with me  
I'll knock his braids off

Me and my niggas, we go anywhere  
Over there  
And over there  
Glock hold 30  
And I keep on in the head  
Shoot through a crowd  
Before I shoot in the air  
Shoot at your head  
I ain't aiming at no legs

Shoot at your head  
I ain't aiming at no legs  
Broad day  
I don't fucking care  
So you better keep that fuck shit over there
