

Lil Ghetto Kid

Shy Glizzy

(La música de Harry Fraud)

Yeah, yeah, yeah
Young Jefe, holmes
Lil' ghetto kid

Lil' ghetto kid, lil' ghetto kid
Lil' ghetto kid, I'm a lil' ghetto kid
I be outside with them lil' ghetto kids
Still running 'round with the lil' ghetto kids
Lil' ghetto kid, lil' ghetto kid
Lil' ghetto kid, I'm a lil' ghetto kid
Lil' ghetto kids killing lil' ghetto kids
Every since I can remember, I been a lil' ghetto kid

Outside off that lace, I was a night bird
This was way back when hustlers dressed in Iceberg
Jock used to kick you in your ass, boy, I was right there
Trey-Seven 'til infinity, Buzz Lightyear
Used to know them niggas, now I guess we be like, "Who that?"
Spicy ass niggas think they still part of the cool camp
I'm the fucking hood champ, I used to be on food stamps
Still remember them dark nights when I couldn't cut on my damn lamp
We ain't have no wifi, go and do a drive-by
Pull up, murk a nigga, then we tell that nigga bye-bye
I give Zeke a high five, he act just like his dada
Glizzy Gang enterprise, bitch, you better ride or die, oh

Lil' ghetto kid, lil' ghetto kid
Lil' ghetto kid, I'm a lil' ghetto kid
I be outside with them lil' ghetto kids
Still running 'round with the lil' ghetto kids
Lil' ghetto kid, lil' ghetto kid
Lil' ghetto kid, I'm a lil' ghetto kid
Lil' ghetto kids killing lil' ghetto kids
Every since I can remember, I been a lil' ghetto kid

I'm a fucking sniper, I don't do no cyphers
And ain't shit on that Southside but a lot of fucking vipers
Your bitch let me pipe her and I ain't even like her
She never seen shit like me, yeah, she said that I excite her
I be with some felons, dawg, hit that shit with fentanyl
Don't know what they giving y'all, just know that it's getting off
Waiting on my wrist to thaw, you waiting on your bitch to call
Soon as they talkin' 'bout 12 o'clock, then they start hittin' off
Boy, you's a fucking hater, should've never tried to save you
And you can ask the candy lady who's her fucking favorite
I was a hothead just like you, remember I ain't have no fucking patience
And now that I got this paper, man, this shit feel so amazing, yeah

Lil' ghetto kid, lil' ghetto kid
Lil' ghetto kid, I'm a lil' ghetto kid
I be outside with them lil' ghetto kids
Still running 'round with the lil' ghetto kids
Lil' ghetto kid, lil' ghetto kid
Lil' ghetto kid, I'm a lil' ghetto kid
Lil' ghetto kids killing lil' ghetto kids
Every since I can remember, I been a lil' ghetto kid
