Shy Glizzy

[Hook:]

I talked to big bro today  
He said let's go to Medellin  
I got a bad ho that snort Ye'  
She like to go to Medellin

Medellin, Medellin  
Medellin, Medellin  
Medellin, Medellin  
Medellin, Medellin

[Shy Glizzy:]

Rest In Peace to Pablo  
I want bricks like Pablo  
Glizzy I'm so macho  
All about this guapo  
We got cocaine, straight from Medellin  
Why you gotta trap phone  
If it don't ring  
Ring, Ring, Ring, Ring  
Need a hard thing  
Tryna kill Glizzy  
You gonna need a whole team  
Young drug lord  
Trapping, don't get bored  
Fuck a trap house, got a whole trap store  
Blood taught me bricks out the back bar  
Oups, thank you, Lord, now I need some more

[Hook]

[Young Scooter:]

You talking to the man in-between  
But really I'm the nigga you need to see  
Private plane back to DC  
Three hours cost me 5 ki's  
I'm a distributor like the Medellin  
Only white bricks around me  
Took over 5000 ki  
I told you, you ain't seen the shit I seen  
Every time the streets ugly, I take flight  
Drop the prices on the bricks, I wish I might  
Bad bitch with me just to test the white  
To shooters, cooking bricks will cost your life

[Hook]
