

Where We Come From

Shy Glizzy

[Shy Glizzy:]

GG, NBA, aww
Real gangster shit, yeah

[Shy Glizzy & YoungBoy Never Broke Again:]

Where we come from niggas don't play
Southside nigga on the North movin' weight
Yeah, we might slide on a nigga broad day
Them youngins, they be thuggin', don't come in these hallways
And we be on the block makin' money all day, yeah
Playin' with them rocks, put the money in the safe, yeah
Screamin' wrong or right, shoot a nigga in the face, yeah
Nigga out of line, we gon' put 'em in they place, yeah

[YoungBoy Never Broke Again:]

Now look here
I come from beefin', slangin' nine at the other side
I never let it go, I just went harder when my nigga died
I been locked up too many times, I run it without even tryin'
I want your head, I drop a dime
You run up, you might lose your mind
Rich nigga, Audemars on me and my bitch
And I be runnin' with some niggas, every one with the shits
Don't take my jewelry off, come out the window slangin' that stick
I'm cold-hearted, fuck my mama, we gon' step on a bitch, believe that
No picks and chooses, it go down when I lose it
And I done came up on so much, I swear I don't wanna lose it
I point him out and that's a fact that Meezy steppin' on fooly
And I know Glizzy really trap, don't give a fuck 'bout the music, yeah
