

## Same Old

SHY Martin

The same old drive-in, nights hanging in the car  
Same old burning room without you  
The same old pillowtalk, smoking in my yard  
Watch the same old stars from my roof

I know that it looked easy for me to let you go  
Doing all the things we planned without you  
I get how it looks like I kept the best of us  
And left the memories with you

I know I'm not allowed to say I'm hurting  
'Cause I hurt you and I know that  
I know I'm not allowed to say I miss you  
'Cause I left you, so I hold back  
Know I'm not allowed to feel the feelings I've felt  
So I keep it to myself  
But I'm still wondering how you're doing  
'Cause I'm the same old me without you  
Same old with someone new

The same old birthdays, drunken nights with our friends  
'Til 4 AM like nothing's really changed  
And now I'm kissing him like I kissed you then  
Same old crazy love, but not the same

And I get how it looks like I kept the best of us  
And left the memories with you

I know I'm not allowed to say I'm hurting  
'Cause I hurt you and I know that  
I know I'm not allowed to say I miss you  
'Cause I left you, so I hold back  
Know I'm not allowed to feel the feelings I've felt  
So I keep it to myself  
But I'm still wondering how you're doing  
'Cause I'm the same old me without you  
Same old with someone new

Same old drive-in, burning room  
Same old love with someone new  
Same old with someone new

I know I'm not allowed to say I'm hurting  
'Cause I hurt you and I know that  
I know I'm not allowed to say I miss you  
'Cause I left you, so I hold back
