

FREAK

Shygirl

I'm a freak, yeah, I know
Know you like to hear me say it
Can we throw it down again
Can we throw it down again
I'm a freak, yeah, I know
Know you like to hear me say it
On the bed, on the floor
I'm a freak, yeah, I know
Know you like to hear me say it
Can we throw it down again
Can we throw it down again
I'm a freak, yeah, I know
Know you like to hear me say it
On the bed, on the floor

Ah, ah, ah, ah, ah, ah
Real nasty, never take me home
Won't ever meet your mum, but your daddy's on the phone
Ring ring, call me up
Know I give you what you like
I'm a freak in the sheets, and I go the whole night
I hear they call me shy
I can only wonder why
'Cause I get down low and I'm always with a guy
Yeah, I can bring a girl or I can bring a whole crew
Meet me at the bar, if you lose me, I can find you

I'm a freak, yeah, I know
Know you like to hear me say it
Can we throw it down
Know you like to hear me say it
I'm a freak, yeah, I know
Know you like to hear me say it
Can we throw it down
Know you like to hear me say it
I'm a freak, yeah, I know
Know you like to hear me say it
Can we throw it down
Know you like to hear me say it
I'm a freak, yeah, I know
Know you like to hear me say it
Can we throw it down
Know you like to hear me say it

I'm a rough ride
You can only have me for the night
Only good times, I don't give a fuck, but I might
Giddy up now, I ain't gonna wait
Do me raw on the bed now
Next thing I know, I'm on the floor
Arse up, titty out, know you like it when they bounce
Got the neighbors on the phone telling me to cut it out
But I won't, and you like that
Tell me what you want
Right there? That's right, yeah
Yeah, uh, uh, yeah

Uh, uh, uh, uh, uh, uh, uh
Got me right on the floor
Got me right on the floor
Do me right here on the floor
Got me right on the floor
Do me right here on the floor
Do me right here on the floor
Got me right on the floor
Do me right here on the floor

I'm a freak, yeah, I know
Know you like to hear me say it
Can we throw it down again
Can we throw it down again
I'm a freak, yeah, I know
Know you like to hear me say it
On the bed, on the floor

Ah, ah, ah, ah, ah
