

Wildfire

Shygirl

I know we ain't met before
But I'm feeling heat
I could be your main squeeze
Your pretty fire girl

Danger approach
No warning signs
Run with the wild fire

Nothing but flames
Orange dancing in your eyes
Looking through me
The heat hypnotize

Danger approach
No warning signs
Run with the wild fire

I hear you say my name
I hear you say my name

Firelight, never let me go
I'd follow the smoke
Trails making patterns in the stars
'Til I'm in your arms

Firelight, never let me go
I'd follow the smoke
Trails making patterns in the stars
'Til I'm in your arms

Nothing but flames
Orange dancing in your eyes
Looking through me
The heat hypnotize

Danger approach
No warning signs
Run with the wild fire

I hear you say my name
I hear you say my name
I hear you say my name
I hear you say my name

So any time I look at you, I'm caught in the breeze
Dream of your touch
I'm so lost in your world

Any time I look at you, I'm caught in the breeze
Dream of your touch
I'm so lost, I'm so lost, I'm so lo-

Any time I look at you, I'm caught in the breeze
Dream of your touch
I'm so lost in your world

Any time I look at you, I'm caught in the breeze
Dream of your touch
I'm so lost in your world

Any time I look at you, I'm caught in the breeze
(I'm so lost, I'm so lost)

So any time I look at you, I'm caught in the breeze
Dream of your touch
I'm so lost, I'm so lost

I hear you say my name
I hear you say my name
I hear you say my name
I hear you say my name
