

## Footprints

Sia

I've fallen through the floor again  
Crashed into the basement  
The pain was swallowing me  
I was like a lead balloon  
I couldn't even get up to turn  
The lights on  
The dark was swallowing me

Lord knows you can't trust your head  
When you're standing on the edge  
Of breaking down  
Lord knows you can't trust your head  
When you're hanging by a thread  
I was breaking down

And I saw only two footprints in the sand  
Thought you'd abandoned me and  
Let go of my hand  
But you were carrying me  
Carrying me to safety  
Two footprints, your footprints in the sand  
Two footprints, two footprints, your footprints in the sand  
Two footprints, your footprints in the sand

Oh, I forgot the things I knew  
It was I who'd abandoned you  
Forgive me, I was lost in doubt  
Who would never've left my side  
Picked me up when I thought I would die  
You helped me, and I was found

Lord knows you can't trust your head  
When you're standing on the edge  
Of breaking down  
Lord knows you can't trust your head  
When you're hanging by a thread  
I was breaking down

And I saw only two footprints in the sand  
Thought you'd abandoned me and  
Let go of my hand  
But you were carrying me  
Carrying me to safety  
Two footprints, your footprints in the sand  
Two footprints, two footprints, your footprints in the sand  
Two footprints, your footprints in the sand
