

Hey Boy

Sia

Hey boy
Whatcha got for me, whatcha got in store?
Hey boy
Damn you're so sexy, got me wanting more (Yeah)

Not going to be single, not tonight
Won't you come close now, baby
Am I going to be single all my life?
I want you to stop and come on by
Won't you come close now, baby
'Cause you know what us single women like (Oh)

Hey boy, won't you come, come around town
Hey, hey boy (Oh)
Tell me have you ever
Hey boy, better run, better run now
I say "Hey boy" (Oh)
When you pull up, pull up, pull up
In your hoopty ride boy, ok boy (Oh)
Tell me have you ever
Hey boy, better run, better run now
I say "Hey boy" (Hey boy)

Hey boy, when I get with you
My heart is satisfied (Yeah)
