

## Rose

Sia

Rose is late for tea  
She's been making mischief  
Naughty as can be  
She's been making mischief  
When will papa see?  
She's been making mischief in the schoolyard  
Rose is pinching skin  
Making all the boys cry  
She is kicking shins  
Making all the boys cry  
Papa can't see it  
She's is making boys cry in the schoolyard

Rose, Rose  
Rose, Rose

Rose is throwing stones  
Making all the girls scream  
Rose is breaking bones  
Taking all their ice cream  
Papa doesn't know  
The havoc she is reeking in the schoolyard

Rose, Rose  
Rose, Rose

Rose is on her own  
No one wants to play now  
Rose is all alone  
Pushed everyone away out  
Only Rose is gone  
Papa sees her sitting in the schoolyard  
Rose is papa's seeds  
She misses mama sadly  
This flower's growing weak  
No mama to hold hands with  
Rose falls to her knees  
She lets a tear fall softly in the schoolyard
