

## So Bored

Sia

I am so bored  
Think I'm going to die  
I'm so empty  
I cannot even cry  
Crush my eye in your tender hand  
The death of romance

I'm grief stricken  
Killing time  
Amputated, broken smile  
I feel so weak  
Undignified  
I didn't realize

I'm isolated sick with fear  
I lost my sight  
And cannot hear  
Imperfect world, desensitized  
Our truth been compromised

I'm so bored  
I think I might die  
Burned, burnt-out and dried  
Oh lord uninspired  
Cross my heart I hope to die
