Sia

Baby, look at me
Can't you see?
That I'm so in love
So in love
I'm so in love
Na, na, na, na, na, na, na, na

Since you came to me
Set me free
I've been so in love
So in love
So in love
Na, na, na, na, na, na, na, na

Step by step
Just one of a million
We took to get here, woah
Step by step
One of a million
And a million left, woah
Step by step
I gotta keep moving
Towards the sunset, oh
Step by step
Come on let's do this
Hold my end til the end

Step by step
Step by step
Step by step
Hold my end til the end, woah

Baby, look at me
Can't you see?
That I'm so in love
So in love
I'm so in love
Na, na, na, na, na, na, na, na

And til the end of time
You'll be mine
'cause we're so in love
So in love
So in love
Na, na, na, na, na, na, na, na

Step by step
Just one of a million
We took to get here, woah
Step by step
One of a million
And a million left, woah
Step by step
I gotta keep moving
Towards the sunset, oh
Step by step
Come on let's do this

Hold my end til the end

Step by step
Step by step
Step by step
Hold my end til the end

Stay with me now
'cause ups and downs
Won't scare me away
The road may be long
But to let you go
You make things feel right
When they should feel right

Step by step
Just one of a million
We took to get here, woah
Step by step
One of a million
And a million left, woah
Step by step
I gotta keep moving
Towards the sunset, oh
Step by step
Come on let's do this
Hold my end til the end

Step by step
Step by step
Step by step
Hold my end til the end
Step by step
Step by step
Step by step
Hold my end til the end
Step by step

Hold my end til the end
