

Tsunami

Sia

ABC by the Jackson, baby
It's where it all began
In your music plans
You got up to dance
The way you move, got me lookin' at my shoes
Forever etched in my heart
What will you do if you should fall in love
If you should fall in love
Please say my name if you fall
See, I was hopin' you would fall in love
'Cause I'm falling in love with you

Tell me, do you feel the same?
Tell me, do you feel this way?
(Is your heart in flames?)
Tell me, is your heart in flames?
Tell me, do you feel this way?

'Cause when we're over the sea, a tsunami, a tsunami
'Cause we're over the sea when you look at me, when you look at me
No way that we can't believe
'Cause see, I can barely breathe
Oh, I can't get enough of you
Oh, baby, tsunami

Run-D.M.C. Whitney and Jay-Z
That's where it all began
And where hits would clash
You got up to dance
The way you move got me lookin' at my shoes
Forever etched in my heart
What will I do if I can't get enough, if I can't get enough?
Please say my name if you need me, whoa
See how I open you, I will be enough
'Cause baby, you are the sun to me

Tell me, do you feel the same?
Tell me, do you feel this way?
(Is your heart in flames?)
Tell me, is your heart in flames?
Tell me, do you feel this way?

'Cause when we're over the sea, a tsunami, a tsunami
'Cause we're over the sea when you look at me, when you look at me
No way that we can't believe
'Cause see, I can barely breathe
But I can't get enough of you
Oh, baby, tsunami

Tell me, do you feel the same?
Tell me, do you feel this way?
(Is your heart in flames?)
Tell me, is your heart in flames?
Tell me, do you feel this way?

'Cause when we're over the sea, a tsunami, a tsunami
'Cause we're over the sea when you look at me, when you look at me

No way that we can't believe
'Cause see, I can barely breathe
But I can't get enough of you
Oh, baby, tsunami

Oh, I can't get enough of you
Oh, baby
