

Ablaze

Siamese

Watch my decay
Watch me waste my day
I'm wasting away
Always aware
Can't wait to see your face
My eternal chase
I am your ghost
You can't shake me away
I remember every word you said
I am Ablaze with hunger
I wait

Why don't you love me
Why don't you need me
Why don't you want me
How could you leave me
This is my sempiternal
I wan't your soul eternal
Why don't you love me

How could you leave me

Your scented core
The taste of fear
From your my dear
I crouched down low
Waiting silently
Waiting eagerly

I am ablaze with a broken heart
I run my fingers through your spine

I am ablaze with a broken heart
I run my fingers through your mouth

You belong
To me
You
