

Deadly Potential

Siamese

Take it in
Can you take it in
Is your skin wearing thin
Condemned to caution!
Save the dead
Can you save the dead?
Can you see all the dead
All the dead are our fault

I'm the red ocean, leaping and wide
My flames swell I bear in the tide
Out of the night that covers me
The whole truth will set us free
Will set us free

The weight, the weight
Upon our shoulders
We wait, we wait
Wait for another
How will, how will
Will we be brothers
I can't take, I can't take
To lose another

Bow down...
Suck it in...
Well, don't you know that you have a deadly potential?

Everyone has a deadly potential
Spread the word
Everyone needs a deadly potential
Spread the word

The weight, the weight
Upon our shoulders
We wait, we wait
Wait for another
How will, how will
Will we be brothers
I can't take, I can't take
To lose another

Better than dead...
Better than dead...
I'm better than dead...
I'm better than dead...
