

# Enough Ain't Enough

Siamese

There's a fire, ooh  
Forcing me higher, ooh  
Ignite the flames, set me ablaze, always burning for more  
Better to always take the fall than do nothing at all

In life, we strive for better times  
To feel alive before we die  
In life, we strive for better times  
To feel alive

Enough ain't enough for me  
Enough ain't enough for me  
Enough ain't enough for me  
And I'll be living fast till I die old

There's a fire, ooh  
Forcing me higher, ooh  
Stronger the wind, stronger the tree, still we're all meant to  
fall  
Not growing with ease, no time for peace when you answer the ca  
ll

In life, we strive for better times  
To feel alive before we die  
In life, we strive for better times  
To feel alive

Enough ain't enough for me  
Enough ain't enough for me  
Enough ain't enough for me  
And I'll be living fast till I die old  
Enough ain't enough for me  
Enough ain't enough for me  
Enough ain't enough for me  
And I'll be living fast till I die old

There's a fire, ooh  
Enough ain't enough for me  
Forcing me higher

Enough ain't enough for me
