

# Eraser My Mind

Siamese

Take me over  
Take me over now  
When love is blind  
You're out of sight  
But never out of mind

Take me over  
Take me over now  
Time will tell  
That I can't help myself

When we're not sober  
Cause I don't want to let go  
I tell myself that I need you  
When I see you, oh

So take me through the night  
Until the morning light  
Come erase my mind  
Cause I know that  
In these blinding lights  
We can shine so bright  
So come erase my mind

So come erase my mind

Take me over  
Take me over now  
My sweet delight  
Dressed in white  
With diamonds in your eyes

Take me over  
Take me over now  
One more taste  
So I can chase our love

When we're not sober  
Cause I don't want to let go  
I tell myself that I need you  
When I see you, oh

So take me through the night  
Until the morning light  
Come erase my mind  
Cause I know that  
In these blinding lights  
We can shine so bright  
So come erase my mind

So take me through the night  
Until the morning light  
Come erase my mind  
Cause I know that  
In these blinding lights  
We can shine so bright  
So come erase my mind

Come erase my mind  
Come erase my mind
