

Give Me Up

Siamese

I want you to know
One thing
If you little by little you stop loving me
And if you have given up on what we could be
I will understand
No more second chances
But I want you to know
Just one more thing

I know I made mistakes
I was on the run
Cause I'm the one to blame
I know I did you wrong
But now I'm singing
Don't you give me up
I know I made mistakes
Cause I was so numb
Caused all it to break
I know I did you wrong
But now I'm singing
Don't you give me up

I want you to know
Before we crack
It's my fault we're on the brink of collapse
I am dark and you are the light
If we part I will not fight
I will understand
No more second chances
Just so you know that I've grown
I want you to know that I've grown

Hold on the light. Let go of the night
