

The Bastards

Siamese

Disaster
Slowly moving faster
Pulling me around
Keeping my head on the ground
Don't you know?
Don't you know?
That is not good...

We are the bastards
We are the sons in law
There's no time for waiting
For the underdogs
We are the bastards
We are not the sons in law
There's no time for waiting
For the underdogs

Faster
Slowly moving disaster
Is pulling us around
Keeping our heads filled with lies

Don't you know?
Don't you know?
That is not good...

We are the bastards
We are not the sons in law
There's no time for waiting
For the underdogs
We are the bastards
We are the sons in law
There's no time for waiting
For the underdogs

Don't you know?
Don't you know?
Don't you know?
Don't you know?

We are the bastards
We are not the sons in law
There's no time for waiting
We're the underdogs
We are the bastards
We are the sons in law
There's no time for waiting
We're the underdogs
