Crime, crime against the soul it does more damage than anyone can know as the victims suffer, the secrets that they hold will eat away inside them 'till they finally explode.

Desperate fool - unforgivable - We're gonna do away with you
Desperate fool - unforgivable - Your kind won't stand a chance
you call yourself a man?
Let's leave your fate up to those who've been raped.
You impose yourself a lot no means no,
you don't know when to stop it's body,
it's soul it's all humanity that's what's violated can't you se
e you're really hated
Step up the plate you challenge fate you've earned a castration

you're face to face with your victims rage you deserve this lac eration
