The pain surrounds I watch it rain I watch it trickle down I feel so clear You let it out I watch it disappear I don't quite know Just where it ends Just where the water flows And I can't quite see Just where it was Just where it use to be And I can't believe in nothing Or anyone that I can't see You know it's better than it's ever been And that's good enough for me Your love was bittersweet, bittersweet, bittersweet, it's bittersweet Your love is killing me, killing me, it's killing me Yes I walk the line I do it now I've done it all the time I feel so free You let me out You let me be my be And I don't feel quite so right When you tuck me in You tuck me nighty night Just like I've been wrong I do this now I've done it all along And I can't believe in nothing Or anyone that I can't see You know it's better than it's ever been And that's good enough for me Your love was bittersweet, bittersweet, bittersweet, it's bittersweet Your love was killing me, killing me, it's killing me This is the best day of my life I can't believe in nothing Or anyone that I can't see You know it's better than it's ever been And that's good enough for me Your love was bittersweet, bittersweet, bittersweet, it's bittersweet Your love was killing me, killing me, it's killing me This is the best day of my life
