

Take A Chance On Me

Sid Vicious

Well, I know you think I'm crazy
I'm always lookin' to get high
I create a lot of problems
But now I'm really gonna try
Been in a messy situation
And for you it's been no fun
But if we're getting down to favours
Then baby, you can do me one

Take a chance on me
Take a chance on me
Take a chance on me
Take a chance on me

Well, I know I'm just a junkie

And I can't make it off the floor
But all that really doesn't matter
Because with you I'm something more
And it's a little complicated
And everything they say is true
But if we're ever gonna make it
There's one thing you have to do

Take a chance on me
Take a chance on me
Take a chance on me
