

## Help Me Find It

Sidewalk Prophets

I don't know where to go from here  
It all used to seem so clear  
I'm finding I can't do this on my own

I don't know where to go from here  
As long as I know that You are near  
I'm done fighting  
I'm finally letting go

I will trust in You  
You've never failed before  
I will trust in You

[Chorus:]  
If there's a road I should walk  
Help me find it  
If I need to be still  
Give me peace for the moment  
Whatever Your will  
Whatever Your will  
Can you help me find it  
Can you help me find it

I'm giving You fear and You give faith  
I giving you doubt  
You give me grace  
For every step I've never been alone

Even when it hurts, You'll have Your way  
Even in the valley I will say  
With every breath  
You've never let me go

I will wait for You  
You've never failed before  
I will wait for You

[Chorus]

I lift my empty hands (come fill me up again)  
Have Your way my King (I give my all to You)  
I lift my eyes again (Was blind but now I see)  
'Cause You are all I need

[Chorus]
