

Sisters & Brothers

Sidewalk Prophets

Sun up, gonna work like a little tin soldier
Marchin' to your own beat, the world on your shoulders
We all struggle and we're not alone
You try and you try, but you never have to do it on your own, no

And I believe, yes I believe
We're all a part of a family
And nothing in this world could come between

'Cause we are, we are, we are
We are, we are, we are
Sisters and brothers
Needin' each other
Father, help us see
That we are, we are, we are
Together with one heart
Sisters and brothers
Needin' each other
We are

So what, who cares?
We're all a bit different
Shout it out, celebrate
What we've been given
The world can tell us that we don't belong, but
Sing together, it's a beautiful, beautiful song

And I believe, yes I believe
We're all a part of a family
And nothing in this world could come between

'Cause we are, we are, we are
We are, we are, we are
Sisters and brothers
Needin' each other
Father, help us see
That we are, we are, we are
Together with one heart
Sisters and brothers
Needin' each other
We are

Because of His love, we'll never live alone
Because of His love, our lives will overflow
Beautifully broken, we are the redeemed
Made to share the love of the coming King

We are, we are, we are
We are, we are, we are
Sisters and brothers
Needin' each other
We are, we are, we are
(We are, we are, we are)
Together with one heart
(Together with one heart)
Sisters and brothers
Needin' each other

We are
We are
