

# Smile

## Sidewalk Prophets

Lost your way, lost your cool  
Then you straight up lost your mind  
Tried so hard to stay ahead  
But you keep falling behind

Life is gonna pull you down  
Make it hard to see  
But a little change in your point of view  
Could be just what you need

There's always a reason  
To always choose joy  
There's something deeper  
That the world can't destroy  
Smile, when you think you can't  
Smile, get up and dance  
Smile, there's a bigger plan  
The storm only lasts for a while

So smile

Happiness is wonderful  
But it doesn't stick around  
Walkin' on sunshine  
Then here come the clouds

You can laugh or you can cry  
When it all falls apart  
But I believe the more you laugh  
The more you heal the heart

There's always a reason  
To always choose joy  
There's something deeper  
That the world can't destroy  
Smile, when you think you can't  
Smile, get up and dance  
Smile, there's a bigger plan

And you've got a reason  
Smile, when you think you can't  
Smile, just clap your hands  
Smile, there's a bigger plan  
You've got a reason to smile

There's always a reason  
To always choose joy  
There's something deeper  
That the world can't destroy  
Smile, when you think you can't  
Smile, get up and dance  
Smile, there's a bigger plan

And you've got a reason  
Smile, when you think you can't  
Smile, just clap your hands  
Smile, there's a bigger plan

You've got a reason to smile

Get up on and smile

You've got a reason to smile
