Trust me (Morrisson!)
I'm a gangster from England
Couple gangster Indians
That made it out from the slums
Of Jammu Malik and Made million
Me deep in the trap
Cut down crops like a jatt
I made more money than your dad
And I bust more guns than Sanjay Dutt
I got a big coat like I'm Shaq
And let the AK sing like Sidhu
When that thing goes SKKKRRRAHH

And i pulled my ass out of the party
Stepped out in a new ferarri
New punjabi
All my kudiya's nice you look

Hanji give my blessings (hanji)
I just want peace like Gandhi
