

Levels

Sidhu Moose Wala

Oh broke as fuck ne haan diye
Lifetime di pension mangde ne
Marhi janani wangu ni
Saale metho tension mangde ne

Binna gallaon vich ahuna cahunde
Sarhe level de ni haan diye
Tu jinna naal compare kare
Saade level de ni haan diye
Tu jinna naal compare kare
Saade level de ni haan diye

Hey, aithe kehda kihne jogga ae
Sabbh jaat janda chhakeya de
Unjh majhe de jatt bande aa
Kujh copy bande yakkeyan de

Bhull jande par kujh ni moohre
Devil de ni haan diye
Tu jinna naal compare kare
Sarhe level de ni haan diye
Jinna naal compare kare
Saade level de ni haan diye

Yo it's like who else you really know
That resetting the ball they just
Dropped a couple songs but they think
They're a star we don't run from competition

We don't run from the law if
You're trying to level up I'm the one
That you call I just do this for the love

I don't do this for the bag they
Said meet me at the top I looked around
Like where y'all at pardon if I left
You if you mad I could lose
Everything is still double what you had

Yeh, yo

Oh pith uthe ta bohot bolde
Mooh te kehno sangde ne
Mai roti paya jinna nu
Aaj verse de paise mangde ne

Oh, sanu madda chngaa bolke
Beef chla le kahiya ne
Jardiya vadiya laake photoan
Geet chla le kahiya ne

Leeliyan pheeliyan landu kehnde
Pair pair te vikhde ne
Nith nawa koi kasam ne karde
Ik te kithe tikde ne

Oh sarhe bare shit talk-an

Te saade kol-oo hi sikhde ne
Aaj vi je koi jo puchda
Ta naam sidhu da likhde ne

Oh paid collaban karke
Chobbar karda nahiyo chaur kude
Solo dolo move kare
Te bann de dekhan koun kude

No name te brand value
Dassan di koi lodh nahi
Athne ep shaddi se tadke se billboard kude

Nahi jinna nu mere hustle pta
Ohna baad udke aaya haan
Eh jaake canada shukar de
Mai otho hi mudke aaya haan

Aaj vi topic talk da sidhu
Vich mefill de ni haan diye
Tu jinna naal compare kare
Sarhe level de ni haan diye
Jinna naal compare kare
Saade level de ni haan diye
