

Bird Tutorial

Sidney Gish

Teaching a parakeet to talk is fun

Teaching a-a-a-a parakeet to talk is fun

The old method took time

This record was specially designed to teach (to teach)

Any of these parakeets to talk

Any of these parakeets to talk

Using a scientific method that is hard hard to learn

A carefully trained voice

A scientific voice

Repeats (repeats) over and over and over

Same words, the same phrase

Same words

In the future

For the next few seconds this record will be silent

Then begins your parakeet's talking lessons

Place your parakeet close enough so that he can

Hear the lesson

Same words, same phrase

(Hello baby, hello)
