

Filming School

Sidney Gish

(Umm)

Have you ever even seen a film
I know I have (I know I have)
And there's a couple of things to keep in mind
If you are watching
(A couple of things)
On occasion there will be plot points
On occasion there'll be art (oh my)
On occasion there'll be long pretentious
Things to tell apart from real content (how)
Cause in the best of times
And worst of times
That line is up to you
(It's up to who)
Up to you
What's worth watching
Once enrolled in filming school
But everybody's got their litmus test
What's worth watching
What is best
And it's no different
Even once you're there
(Once I'm there)
Don't enroll
(I won't enroll)
Filming school

I got my litmus test
Back and it said you're the best
Back and it said I'm the best
Cause we're worth watching
We're enrolled in filming school
We walked around that blank museum
And cried our tears and held our hands
And we were each others best friends
And we went down to town and said a million things are happening
That are so smart and beautiful (worth watching)
Yes you pass my litmus test
Yes I swear that you're the best
(No you're the best)
No you're the best
No you're worth watching

You're worth watching
Here
(Once I'm there)
Don't enroll
(I won't enroll)
Filming school
On occasion there will be plot points
On occasion there'll be art (oh my)
On occasion there'll be nothing left at all
But that's alright for
Me and you and me and you and
Me and you and me and you and
Me and you and me and you and
Me and you and me and you

On occasion there will be plot points
On occasion there'll be art (oh my)
On occasion there'll be long pretentious
Things to tell apart from real content (how)
Cause in the best of times
And worst of times
That line is up to you
(It's up to who)
Up to you
What's worth watching
What's worth stopping
What's just boring
Don't enroll (don't enroll)
Filming school
What's just boring
Don't enroll (don't enroll)
Filming school
What's just boring
Don't enroll (don't enroll)
Filming school
What's just boring
Don't enroll (don't enroll)
Filming school
