

## New Recording 180 (New Year's Eve)

Sidney Gish

Welcome to the eleventh hour  
So what in the world have you done?  
You can't just daydream a tower  
So build a hut just for fun, then start over one by one

Before the clock strikes zero one two will you finally get it t  
hrough-  
There is a lot that you forgot to do

What are you doing new years  
What are you doing  
What are you doing new year's eve?

I wrote this riff last december  
And I played it all year to make sure that I remember  
It didn't make any sense then  
And it still doesn't, but to be fair nether does anything

Before the clock strikes zero one two will you finally get it t  
hrough-  
There is a lot that you were able to do

What are you doing new years  
What are you doing  
What are you doing new year's eve?

What are you doing new years  
What are you doing  
What are you doing new year's eve?
