

MAYBE.

Sienna Spiro

All I wanted was to be your hostage
For you to tie me up and never let me leave
If we're honest, it took the longest
Time for you to even notice I was here
You said you'd take me places
Then you kept me waiting
How the hell could I be so wrong?
But now, I'm feeling jaded
I thought I was your favorite
I believed in you for so long

Well, maybe this time you'll hurt like I do
You won't get no sympathy 'cause I got none from you
Couldn't make up your mind, well, mine's not confused
Nothing left in me that wants to leave a space for you
So maybe this time, maybe this time
Maybe this time, you'll feel like I do
It don't feel so good, oh, when it's your turn in blue

I don't want this, you make me nauseous
Can't believe it gave me butterflies to look at you
You think I'm bleeding, you must be dreaming
You slept on me while she slept under you
Makes me laugh 'cause we want the things we can't have
You fall 'cause and I fall back, you always been the same

But maybe this time you'll hurt like I do
You won't get no sympathy 'cause I got none from you
Couldn't make up your mind, mine's not confused
Nothing left in me that wants to leave a space for you
So maybe this time, maybe this time
Maybe this time, you'll feel the way that I do
And it don't feel so good when it's your turn in blue

Don't call my name 'cause I'm not yours
It's not the same as it was before
Don't fantasize when you picture me
When you close your eyes and I'm in your dreams
Don't matter to her, don't matter to me
You think I care, I don't

Maybe this time you'll hurt like I do
You won't get no sympathy 'cause I got none from you
Couldn't make up your mind, mine's not confused
Nothing left in me that wants to leave a space for you
So maybe this time, maybe this time
Maybe this time, you'll feel like I do
It don't feel so good, oh, when it's your turn in blue
