

# Coffee Bean

Sierra Ferrell

You're a strong cup of coffee  
I don't drink anymore  
Without cream and sugar honey  
You're no good

You, well you made me  
You made me smile  
I haven't seen you in a while

I wanna thank you for your time  
I know that it's wasted  
But its mine

Warmer weather  
Is on the way  
Oh but baby I'm a rainy day

I'm sorry  
That I come and  
Yes, I come and go  
And I'm sorry that I hurt you so

But now its time for me to go  
Gotta lover in  
He won't let me go

Oh yeah  
You're a strong cup of coffee  
I don't drink any more  
Without cream and sugar honey  
You're no good

You  
Yeah you made me  
You made me smile  
I haven't seen you in a while

But now its time for me to go  
Gotta lover in  
He won't let me go

Now its time for me to go  
Gotta lover in  
He won't let me go, go, go, go  
He won't let me go, go, go, go  
He won't let me go, go, go, go

Everything come to an end  
Aw well I told you this my friend  
He won't let me go
