Snake River

Sierra Ferrell

Well I woke up this morning, sun was shining bright
I had a feeling things would be alright
And so I walked to the store and I bought a little booze
And I couldn't keep my mind from thinking 'bout you
And all the, snake river wine
Snake river divine
Snake river wine

I gotta get back up on my feet again
I need to go out, and find new friends
Well I like dancing
Like playing in the sand
But missing you it ain't no fun

Snake river wine
Snake river divine
Snake river till the end of time

Standing on the street
Where I'll be singing out loud
I'm screaming out loud

But I've got
Snake river wine
Snake river's divine
Snake river wine
