

# Nobody

Sierra Kidd

Uh, uh

You lose me, you'll be a nobody again, ayy  
Got to throw it on a nobody then, ayy, ayy  
Got to sit in nobody's Benz, uh, yeah, ayy  
Got to chill with nobody's friends, yeah  
Pu-Pulling up in a brand new (I'll claim, I'll claim)  
I'll claim you forever like a face tattoo (Meeting, meeting, meeting)  
Meeting you was overdue  
I got everything except for you

Got to throw it back for a real one now  
Got to throw my set up in all of your pictures  
Got to tag my finsta in all of your captions  
Let everybody know what you-  
Get yourself into  
You want to see for yourself how a G do, ayy  
Get yourself into  
You want to see for yourself how I move

You lose me, you'll be a nobody again, ayy  
Got to throw it on a nobody then, ayy, ayy  
Got to sit in nobody's Benz, uh, yeah, ayy  
Got to chill with nobody's friends, yeah  
Pu-Pulling up in a brand new (I'll claim, I'll claim)  
I'll claim you forever like a face tattoo (Meeting, meeting, meeting)  
Meeting you was overdue  
I got everything except for you

Wait, got to throw it back for a real one  
Wait, got to throw it back for a real one  
Wait, got to throw it back for a real one  
Wait, got to throw it back for a real one now
