

## Just Got Paid

Sigala

I should grow up some day 'cause I got bills to pay  
I can't be waking up at someone else's place  
I know I drink too much, can't pay my rent this month  
I should be saving up, but

I just got paid  
I'm broke, but I'm ballin'  
Don't know where we're goin'  
We go in when we go out  
I just got paid  
I'm broke, but I'm ballin'  
Don't know where we're goin'  
We go in when we go out  
I just got paid  
I just got paid

And it feels like every day's a holiday  
So I can take my check to the bank  
And I know, know, know I should be worried  
But I work, work, work to the bone, baby  
So gimme that  
Gimme that, gimme that, gimme that (woo)  
Gimme that, gimme that, gimme that (hey)  
Gimme that money  
I said, now, gimme that money (oh, woah)  
Gimme that, gimme that, gimme that (oh, yeah)  
Gimme that, gimme that, gimme that  
Come on and gimme that money  
Gimme that money

I should grow up some day 'cause I got bills to pay  
I can't be waking up at someone else's place  
I know I drink too much, can't pay my rent this month  
I should be saving up, but

I just got paid  
I'm broke, but I'm ballin'  
Don't know where we're goin'  
We go in when we go out  
I just got paid  
I'm broke, but I'm ballin'  
Don't know where we're goin'  
We go in when we go out  
I just got paid

Montana, yeah  
La-di-da-di, we like to party  
Don't cause trouble, don't bother nobody  
La-di-da-di, woke up in the party  
Sports bra, sports car driver  
Showin' up, show out, bow in, bow out  
Go in, go out, Ciroc, we pull off  
I got more diamonds, ladies be the finest  
Crush grapes, we don't do the wine  
Crush denim, top spinning, cool bean, front grilling  
Got paid, hop the G5 faded  
Rotate shelties, wavy like a sailboat

When you hear the haaa, there it go  
Montana with the funky sound  
Sigala got the London sound

I should grow up, they say  
Stuck in my glory days  
I know there's nothing wrong, it's just a passing phase  
And when I've had my fun, I swear I'll be someone  
I know that day will come, but

I just got paid  
I'm broke, but I'm ballin'  
Don't know where we're goin'  
We go in when we go out  
I just got paid  
I'm broke, but I'm ballin'  
Don't know where we're goin'  
We go in when we go out  
I just got paid

Come on, say

I just got paid  
Yeah yeah, oh oh  
I just got paid

Gimme that, gimme that, gimme that  
Gimme that, gimme that, gimme that  
Gimme that money, gimme that money

I just got paid

Gimme that, gimme that, gimme that  
Gimme that, gimme that, gimme that  
Gimme that money, gimme that money

I just got paid
