

# Aletheia

Sigh

□□□□□□□□□□□□  
□□□□□□□□□□□□

You take it too far away,  
You're trapped in the trench in the field of wisdom,  
You take it too far away,  
You're trapped in the trench from which you will never get away  
,

Hear my warning,  
Hear my warning, all those trapped,  
Hear my warning,  
Hear my warning, all those trapped,

□□□□□□□□□□□□

You take it too far away,  
You're trapped in the trench and then surrounded by the revenants,  
You take it too far away,  
You're trapped in the traces of what once may have been walking  
here,

Hear my warning,  
Hear my warning, all those trapped,  
Hear my warning,  
Hear my warning, all those blind men,

Do you feel,  
The truth is dead,  
Or the truth,  
The truth does not exist,  
Do you feel,  
The truth is dead,  
Or the truth,  
It never exists
