

Heir to Despair

Sigh

Walking my path forgotten so long,
In my world to which no one else belongs,

I try not to scream though I know it will not save me,
I try not to scream
So please wait for me,

What do you see in your world I am not in,
Where your only hope slowly turns into my sin,

I try not to scream though I know it will not save me,
I try not to scream,
So please,

□□□□□□□□□□
□□□□□□□□□□
□□□ □□□□□□
□□□□□□□□□□

□□□□□□□□□□
□□□□□□□□
□□□□□□□□
□□□□□□□□□□

What I see Through my very eyes,
Will damn me to hell with their God I deny,

I try not to scream though I know it
will not save me,
I try not to scream,
So please,

□□□□□□□□□□
□□□□□□□□□□
□□□□□□□□□□
□□□□□□□□□□

□□□□□□□□□□
□□□□□□□□□□
□□□□□□□□□□
□□□□□□□□□□

□□□□□□□□□□
□□□□□□□□□□
□□□□□□□□□□
□□□□□□□□□□

□□□□□□□□□□
□□□□□□□□□□
□□□ □□□□□□
□□□□□□□□□□

We all will go away,
Everything just fades away,
We're the heir to despair
